Exploring Beautiful
South Africa

Mercedes Sprinter

This luxurious and powerful Sprinter with upholstered reclining seats, a state of the art sound system and fold-away DVD monitors is the ideal vehicle to transport groups of up to 19 persons to exotic destinations.

With ample legroom and an overhead console with individual controls for air-con and reading lights, you are pampered from the moment your journey commences.

This is the perfect vehicle for corporate getaways, tourist groups, social clubs or any other organised party where VIP comfort is paramount.

Chrysler Voyager

The Voyager caters for smaller groups of up to 6 people who wish to travel in five star luxury. Apart from the comfort offered by the air conditioner and sound system, your very comfortable seats and 360° view through large windows add magic to your trip through sunny South Africa and its neighbouring countries.

Profile

BKL Coaches was established early in 2005 as a luxury coach and bus company to cater for the local and international tourist markets and other groups.

BKL Coaches has based its philosophy on four sound pillars, namely quality service, comfortable and reliable vehicles, friendly staff and passenger safety. These pillars are the foundation of its existence and vision.

Only the best and safest professional qualified drivers who are experienced in long distance travelling are used. Groups must provide their own guides as legislation no longer allows drivers to act as tour guides.

Services and Attractions

With its current fleet of a luxury Mercedes Benz Sprinter coach and a Chrysler Voyager, BKL Coaches is a perfect choice for groups up to 19 persons to travel to any destination in South Africa and its immediate neighbouring countries, for example:

- Day trips such as to fun filled Sun City, or to the Pilanesberg Game Reserve to see the big five, or to play and gamble at Gold Reef City theme park. Or why not visit Soweto for a taste of what makes Africa so deliciously different!
- Weekend or three day trips to the well known Kruger National Park, the beautiful Lowveld, the sunny beaches of KwaZulu Natal or the various resorts at the majestic Drakensberg.
- Overland trips to further destinations such as Cape Town, Namibia, Botswana and Mozambique.

Travel to your destination in style, comfort and safety. Relax totally in the knowledge that you are in the best possible hands. Comprehensive passenger liability insurance of R20 million per occurrence gives added peace of mind.
